

PUBLIC NOTICE

RE: NOTICE OF REVALIDATION OF REGISTRATION WITH FRC AND PAYMENT OF ANNUAL DUES

EXTENSION OF TIME

The Financial Reporting Council of Nigeria is pleased to inform all registered professionals and public interest entities that the deadline for the revalidation of registered professionals has been graciously extended by the Council from **February 28, 2024**, to **March 31, 2024**, due to difficulties being experienced by professionals with upload of required documents.

In view of this extension:

1. All registered professionals are enjoined to take advantage of this opportunity to log on to their dashboards on the Council's portal - <https://registration.frcnigeria.gov.ng/login>, to carry out this very important exercise.
2. All registered professionals who fail to revalidate on or before **March 31, 2024** will have their FRC numbers suspended with effect from **April 1, 2024**.
3. All professionals engaged in the financial reporting process of public interest entities are enjoined to register with the Council within this period.
4. At conclusion of the revalidation exercise, the Council shall publish a list of professionals duly registered and qualified to render professional services to public interest entities in Nigeria pursuant to section 41(2) of the Financial Reporting Council of Nigeria Act, 2011, as amended.

In addition, all registered professionals who fail to comply with this notice of revalidation shall be barred from taking part in any financial reporting process, including but not limited to provision of auditing, assurance, governance, valuation and actuarial services to public interest entities.
